OGDEN, UTAH, - JULY 9, 1904.

MRS. ENGELKE OBTAINS DIVORCE.

Injunction Suit Against Ogden
Sewer Pipe & Clay Company
Dissolved.

FUNERAL OF GEORGE M. KERR.

George Chandler, a Former Resident
Of Ogden City, Dies in
Pocatello.

Mrs. Josephine Engelke has secured a
divorce from her husband, Ferdinand
Engelke, who is now serving a term of
one year in the state prison, having
been found guilty of grand larceny.

It will be remembered that Engelke
was convicted of having stolen a quan-
tity of table linen and wearing apparel
from the residence on Twenty-fifth street.
A motion for new trial was argued and
denied and then the case was to have
been carried to the supreme court, but
for some reason it never reached that
tribunal and Engelke had to serve his
sentence.

H. H. Henderson, attorney for the
plaintiff, introduced the files in the
criminal case and on these and the tes-
timony of the plaintiff's decree was
granted.

An action for a divorce was filed late
yesterday afternoon for Margaretta
Witteveen, against Henry Witteveen.
The couple were married in Davenport,
Iowa, Nov. 3, 1881, and have child-
ren, aged ranging from four years to
21 years. The plaintiff alleges as cause
of action that the defendant has treated
her in a cruel and inhuman manner and
on divers occasions has struck her
with his fists. The plaintiff asks that
the bonds of matrimony be dissolved
and for the equal division of property
the defendant owns in the city.

INJUNCTION DISSOLVED.
The injunction issued a short time
ago out of the district court against the
Ogden Sewer Pipe and Clay company to
restrain the officers of the company
from selling the stock to one W. S.
Bickie, has been dissolved and the
suits dismissed. It will be remembered
that several months ago according to
the allegations of R. S. Joyce and others
in their complaint, the defendants
were the majority of the stock-
holders were desirous of selling the
stock and freezing out the minority
stockholders, but a plan has been in-
stituted whereby the stock can be sold at
a good advantage.

GEORGE CHANDLER DEAD.
George Chandler, who was formerly
the butcher business in Ogden but
has since resided at Pocatello, died
Thursday night at the latter place very
suddenly, supposedly from apoplexy.
Mr. Chandler was the son of Mr. and
Mrs. George Chandler, was 40 years of
age, and well known in Ogden. His
wife resides in Salt Lake City, but
he has several brothers and sisters in
Ogden, who were shocked to learn of
his death. Mr. Chandler was taken to
Pocatello at noon yesterday and
buried at the remains to Ogden on the
7 o'clock train.

FUNERAL OF GEO. M. KERR.

The remains of George M. Kerr will
lie in state at his late home, 2112
Avenue A, Sunday between the
hours of 10 a. m. and 12:30 p. m., and
those desiring to see his remains may
do so during those hours. The funeral
services will be conducted at the Ogden
temple Sunday afternoon at 2
o'clock. Interment will take place in
the city cemetery.

WANT DEED CANCELED.

A suit has been commenced by Cath-
erine E. Newsome against W. Angus
Newsome to have a deed and the in-
terests thereof canceled. Plaintiff al-
leges that she executed the deed to
certain Provo real estate to defendant

vertently caused the deed (which has never
been in the possession of defendant) to
be recorded.

COUNTY OFFICERS' SALARIES.

City Council Session—Efforts to Prevent
Vandalism in Cemetery.

Special Correspondence.
Logan, Cache Co., July 7.—The board
of county commissioners today fixed the
salaries of the following named county
officers of Cache county for the en-
suing two years, commencing Jan. 2,
1905, and ending on the first Monday in
January, 1907: chairman, board of
commissioners, per annum, \$400; other
members of board, each, per annum,
\$300; sheriff, per annum, \$1,100; clerk,
\$1,100; treasurer, \$1,100; recorder, \$900;
surveyor, \$250; attorney, \$600; assessor,
\$850; superintendent of schools, \$800.
This is the same schedule as at pre-
sent, with the exception of attorney,
which was raised from \$500 to \$600.

CITY COUNCIL SESSION.

The session of the council last night
ground out the usual crop of bills, and
disposed of a batch of petitions for
water service and street improvements.
Atty. W. W. Maughan reported that
for some time past malicious persons
had been in the habit of removing flow-
ers and decorations from graves in the
cemetery, and asked that some action
be taken to prevent it. The mayor has
a standing order of \$10 reward for the
apprehension of the offenders, but it
does not stop the practice. The matter
was referred to the jury committee
with authority to employ a detective to
catch the offenders.

The recorder was instructed not to
issue any more warrants until the finance
committee could arrange to have
them taken care of by the bank. News
of the delay in getting returns of bonds
sold had left the city treasury bare. Re-
turns from the \$12,000 bonds sold are
expected every day.

There was a very warm discussion
over the action of the superintendent
of the light plant in raising the salary
of his powerhouse men to \$70 per
month, and reducing the force to three
men. Councilman Hatch opposed the
raise, saying quite strenuously, but
the council approved of the action of
the superintendent.

B. F. Ritter and the board of educa-
tion petitioned for a paved walk on
the west and south sides of the Wood-
ruff school building to Main and 1st
streets, and the residents of the
Seventh ward for a walk on the canal.

Pain Weakens

And Destroys the Nerves.

Do you know that pain is simply the
nerves crying for help?

Has it ever occurred to you that pain
weakens and destroys the nervous system?

For this reason you should act promptly
in every case of headache, backache,
stomach ache, neuralgia, rheumatism,
neuritis, toothache, and all other pains.

Dr. Miles' Anti-Pain Pills will relieve
pain almost instantly, because they act
in a natural and harmless manner upon
the nerve tissues, and relieve the con-
ditions which cause the pain.

their action, they do not effect the bow-
els in the least, are perfectly harm-
less, and leave no disagreeable after-
effects.

Delicate women who suffer from
headache, bearing-down and periodical
pains, can use them with impunity.

You may also give them to children
with the assurance that while they will
relieve, they cannot possibly harm.

MORGAN.

THE NATION'S BIRTHDAY.

Boy Hurt With Firecracker—Young
Toughs Landed in Jail.

Special Correspondence.
Morgan, Morgan Co., July 8.—The cele-
bration of the Fourth surpassed anything
the town has ever had for a long time.
At 10 a. m. the people gathered at the
stake house and listened to an appropri-
ate address by the Rev. Mr. W. W. Maughan.
The afternoon was spent in the usual
outdoor sports.

Hon. Aug. C. Cannon of Salt Lake,
Judge Howell, Nathan Harris and
William H. Harrison, who were the prin-
cipal speakers in the afternoon the peo-
ple enjoyed the usual outdoor sports.

LITTLE BOY BADLY HURT.

ploded just as it hit J. Green's little boy
in the mouth. The boy was badly hurt

and the little boy is getting along nicely now.

stole some more money and a gold watch.
They went from there to Kemmerer,
Wyo., and stole into another house.
The three boys, who came down from

came near losing their lives in an ac-

pants. The father of the family had
horses kicking to beat the band. In the
mixup the horses were tangled up to-
gether with the buggy, one on top of the
other, with the occupants pinned
beneath. How they got out alive is a
miracle. None was injured except being
shaken up.

RELLY'S INDIANS TOOK SECOND GAME

Willie Hogg Got the Better of

Battle.

Errors Did Not Help Much. TWO WORLD'S MARKS BROKEN.

There was not much to yesterday after-
noon's ball game down at Walker's lot,
except the pitching of one Willie Hogg,
the youth who was made run of here
some years ago, and who has now return-
ed for revenge.

Hogg was on the rubber for Spokane
yesterday, and he led Rely's Redskins to
victory. He had the palefaces at his
mercy practically all the time, and only
eight well scattered hits were allowed the
Gimlites. On the other hand, Essick
was bumped for ten swats, and the Red-
skins carried off the honors.

Ferris made three errors, but they did
not seem to do Salt Lake any good. The
best local could do was three runs,
while the Indians doubled the number.
There were no sensational or thrilling
features to yesterday's doings. The most
important features, perhaps, were Hani-
van's catch after a long run, and the gen-
eral unsatisfactory work of Umpire
Ward. The detailed score follows:
